

Luxembourg Xmas Markets

3 Days/2 Nights

Departing: 24th November 2017

The city of **Luxembourg** invites visitors to the 'Winter Lights' festival which is the central theme of a series of events brightening up winter in Luxembourg's capital. To highlight the festive atmosphere at the end of the year, Luxembourg's capital is decorated with Christmas lights: more than 1,600m of lights with thousands of light bulbs now decorate the street lights, tree-lined streets and squares in the city.

The enchanting **Trier** Christmas Market takes place on the medieval Main Market and in front of the imposing backdrop of the Trier Cathedral. In the 95 festively decorated wooden booths you will find Christmas articles such as Christmas decorations, wooden toys, candles, hand-blown or engraved glassware, gift articles, ceramics and much more. Good food awaits you as well: bratwurst sausages, potato pancakes, sweets, hot tea and mulled wine. Shopping in wintry Trier has always been a very special experience! Along with offers from the Trier Christmas Market, the city offers an extensive selection of specialty shops, large department stores, and boutiques with experienced personnel to assist you.

Saarbrücken's historical St. Johanner Markt square and the region's most popular shopping street, the Bahnhofstrasse, provide the ideal backdrop for the Saarbruecken Christmas Market and the 80 or so festively decorated huts. The fantastic attractions include a traditional alpine hut, a huge Advent wreath, the bell tower and life-sized Christmas characters. Every day at 7pm Father Christmas and his Reindeer sleigh hover over the market on a high wire and tell the story of Rudolph the red-nosed reindeer.
